

Believing in the worth of every individual, we are a nurturing, Christian sanctuary of learning, where all can flourish. We aspire for everyone to achieve heights of success, to deepen courage and to experience breadth of creativity, knowing the joy of God's love.

LIVING OUR VISION

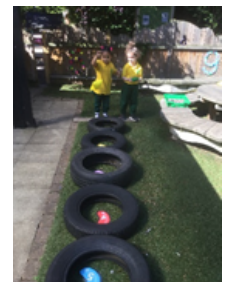

Summer 2 2022

Dear Parents,

Another school year has drawn to a close, a year in which our school felt more 'normal' again. A year during which we were able to be a community again. It has been strangely moving to have had class assemblies, fairs, graduation, sports events, sports day, whole school Mass, choir singing at Wembley area, and coffee mornings.

A really big thank you to all those who helped out and came to our school summer fair. Thank you to all those who contributed bottles and toys in the run up to the event. It was a lovely time with the whole community coming together to raise money for some of our activities and plans next year. We raised just over £1000.

We say goodbye to Ms Hawker this term as she relocates to Bristol. Ms Hawker has worked tirelessly at John Keble School for the last eight years. She has led a lot of positive change, developing our new school curriculum. She supported staff and children with real care and compassion. We welcome Ms Ejaz Farooq, an experienced teacher to our teaching team.

Several of our governors have come to the end of their terms and are standing down. A big thank you to Chris Mc Guinness, Jean Lewis, Reverend Anthea Carmichael and Anmarie Andrews. These four governors have served the school in their volunteer role for a number of years, ensuring the school is well run and safe.

The end of the year is a time of transition; possibly a small transition from one-year group/ teacher to another or perhaps a large transition to a whole new school with a completely different way of doing things. As we have experienced over the last few years, life is full of change. However change is necessary and important, especially if we are to grow into the person God created us to be, if we are to be transformed into his likeness.

It takes courage and confidence to embrace change. Courage and confidence can be hard to find, but come more easily if we know our worth and if we know we are loved. We need to remind ourselves and our children every day that we are all children of God, special, unique and intricately made. Our children need desperately to know that they have real worth and purpose. Each one of us needs to be allowed the freedom to be the person God made us to be and so set the world on fire.

My prayer and hope is that each person at John Keble School will continue to experience God's love, joy and freedom, thus having the courage and confidence to be the person God has created them to be, fulfilling his purpose for their life.

I wish you all a happy summer break. I look forward to seeing everyone in September for a new year. Year 6, we have loved sharing your journey, please continue to live out the vision and make sure you come back and see us.

Catherine Allard

We have a school Twitter account. The handle is @JohnKebleBrent We tweet at least once a week. Follow us to keep up to date with everything that is happening at school. Our website is updated regularly too. www.johnkeble.com
