

John Keble
Church of England Primary School

Rooted together in love, growing without limits...

Vision

Believing in the worth of every individual, we are a nurturing, Christian sanctuary of learning, where all can flourish. We aspire for everyone to achieve heights of success, to deepen courage and to experience breadth of creativity, knowing the joy of God's love.

Intent

Our ambitious, knowledge-rich curriculum has been sequenced to equip our pupils with the knowledge and skills to ensure they are happy, healthy global citizens, ready to take their place in modern Britain. The broad and balanced curriculum is creative, coherent and inclusive and, together with our Christian values, enables the pupils to be self-motivated, independent learners.

Impact

The pupils leave John Keble having achieved highly, and are able to apply their learning confidently because the knowledge and skills that they have learnt are embedded. Pupils will be academically, physically and emotionally prepared for the next phase of their lives. They will be curious, resilient individuals who continue to improve themselves, embrace challenge, and create opportunities for others in the wider global community.
