

John Keble
Church of England Primary School

Supplementary Information Form (SIF)

If you are applying for a place at John Keble School, you should complete this Supplementary Information Form (SIF) if any of the following apply:

1. Children with a parent who is a committed member of All Soul's Harlesden or St Matthew's Willesden.
2. Children with a parent who is a committed member in another Anglican Church.
3. Children with a parent who is a committed member in churches and chapels of other Christian denominations

If you are applying for a Reception place, you must also complete a local authority common application form online at www.eadmissions.org.uk. For other yeargroups, main application forms are available from the school website and office.

In the event that the School is over-subscribed, the information on this SIF form will help the Governors decide if the child's application should be considered under over-subscription criteria in the School's admission arrangements (available from the school website or office). For this information to be considered, the Religious Reference Statement must be completed, signed and stamped by the leader of your place of worship.

If you would like attendance at more than one place of worship to be taken into account, please provide additional statements demonstrating cumulative attendance at services of another Christian denomination on at least 26 occasions in each of the past two years.

Please note that the clergy referee should NOT be directly related to the child (e.g. parent or grandparent). The admissions criteria distinguish between Church of England applicants and those who are members of other churches.

The Governors' admission criteria rely on accurate information rather than a subjective recommendation.

The Governors' admissions policy which clarifies the nature of the school and the admissions criteria for Church places can be found on the school website www.johnkeble.com.
